

NEW
“YOUNG-ONSET”
PARKINSON’S SUPPORT
GROUP

Interested in learning about “Young-Onset” Parkinson’s disease?

Would you like to help start a “Young-Onset” support group?

Then please come to a meeting and let’s talk about it.

When? Tuesday evening, June 14th

What time? We’ll start at 6:00 p.m.

Where? The Community Foundation of the Eastern Shore
1324 Belmont Ave., Suite 401, Salisbury, MD 21804

Who? A joint effort by the Worcester County Parkinson’s Support Group and the Lower Shore Parkinson’s Support Group, Inc.

Why? An outreach effort by these two support groups and Johns Hopkins PDMD Center to provide an opportunity for fellowship and education for younger adults dealing with an early diagnosis of Parkinson’s disease.

Guest: Ms. Becky Dunlop RN, MS, an Instructor of Neurology and the Associate Director of the Johns Hopkins Parkinson’s Disease and Movement Disorders Center will participate in our discussion.
